ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Annual Maintenance Assessments. The Declarant hereby covenants and each person, group of persons, corporation, partnership, trust or other legal entity, or any combination thereof, who becomes a fee owner of a lot

within the Property, by acceptance of a deed therefor, whether or not it shall be so expressed In any such deed or other conveyance, shall be deemed to covenant and agree to pay the Association Annual Maintenance Assessments as hereinafter defined, in advance, in monthly installments equal to one—twelfth (1/12) of the Member's proportionate share of the sum required by the Association, as estimated by its Board of Directors, to meet its annual expenses, (herein elsewhere sometimes referred to as "Maintenance Assessments") including but in no way limited to the following:

(a) the cost of all operating expenses of the common areas and community facilities including recreation facilities and the services furnished to or in connection with the common areas and community facilities, including recreational facilities, including charges by the Association for any services furnished by it; and

(b) the cost of necessary management and administration of the common areas and community facilities, including fees paid to any Management Agent; and

(c) the amount of all taxes and assessments levied against the common areas and community facilities; and

(d) the cost of liability insurance on the common areas and community facilities and the cost of such other insurance as the Association may effect with respect to the common areas; and

(e) the cost of utilities and other services which may be provided by the Association including snow removal on private streets, whether for the common areas and community facilities or for the lots, or both; and

(f) the cost of maintaining, replacing, repairing, and landscaping the common areas, including, without limitation, maintenance of any storm water detention basins or the like located upon the common areas and the cost of the maintenance of all pathways and any retaining walls upon the Property, together with such equipment as the Board of Directors shall determine to be necessary and proper in connection therewith; and

(g) the cost of private trash removal for all Lots; and

(h) the cost of funding all reserves established by the Association, including, when appropriate, a general operating reserve and a reserve for replacements; and

(i) the cost of any leasehold, Membership or other possessory or use interests in real or personal property arranged by the Association for the purpose of promoting the enjoyment, recreation or welfare of the Members of the Association.

The Board of Directors shall determine the amount of the maintenance assessment annually, but may do so at more frequent intervals should circumstances so require. Upon resolution of the Board of Directors, installments

of annual assessments may be levied and collected on a quarterly, semi-annual or annual basis rather than on the monthly basis hereinabove provided for. Any Member may prepay one or more installments on any annual maintenance assessment levied by the Association, without premium or penalty.

The Board of Directors shall prepare, or cause the preparation of an annual operating budget for the Association which shall provide, without limitation, for the management, operation and maintenance of the common areas. The Board of Directors of the Association shall make reasonable efforts to fix the amount of the annual maintenance assessment against each lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the lots and the annual maintenance assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any owner upon reasonable notice to the Board. Written notice of the annual maintenance assessments shall thereupon be sent to the Members. The omission by the Board of Directors, before the expiration of any assessment period to fix the amount of the annual maintenance assessment hereunder for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this Article or a release of any Member from the obligation to pay the annual maintenance assessment, or any installment thereof, for that or any subsequent assessment period, but the annual maintenance assessment fixed for the preceding period shall continue until a new maintenance assessment is fixed. No Member may exempt himself from liability for maintenance assessments by abandonment of any lot belonging to him or by the abandonment of his right to the use and enjoyment of the common areas and community facilities.

Except as may be specifically provided for herein, this Declaration does not contemplate that the Association shall have any responsibility for the maintenance or repair of the dwellings or their appurtenances and the responsibility and duties of the Association for maintenance and repairs shall be limited to the common areas and community facilities. The owner of any lot shall, at his own expense, maintain his lot and dwelling, and any and all appurtenances thereto, in good order, condition and repair and in a clean, sightly and sanitary condition at all times. In the event any owner shall fail to maintain his Lot, dwelling and/or appurtenances thereto, as aforesaid, the Association shall have the right, after first having given thirty (30) days notice of its intent to exercise this right to the owner, to make the necessary repairs and/or maintenance to the Lot, dwelling and/or appurtenances thereto, and to charge the cost of such repairs to the owner, which amount shall be due and payable to the Association as an additional assessment hereunder.

Section 2. Special Maintenance Assessments. In addition to the regular maintenance assessments authorized by this Article, the Association may levy in any assessment year a special maintenance assessment or assessments, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, inordinate repair or replacement of a described capital improvement located upon, or forming a part of the common areas and community and recreational facilities, including the necessary fixtures and personal property related thereto, or for such other purpose as the Board of Directors may consider appropriate; provided that any such assessment shall have

the assent of the Members representing two—thirds (2/3) of each class of the then Members of the Association. A meeting of the Members shall be duly called for this purpose, after thirty (30) days notice of such meeting to all Members.

Section 3. Reserves for Replacements. The Association shall establish and maintain a fund for replacements of the common areas and community and recreational facilities by the allocation and payment monthly to such reserve fund of an amount to be designated from time to time by the Board of Directors. Such fund shall be conclusively deemed to be a common expense of the Association and may be deposited with any banking institution, the accounts of which are insured by any State or by any agency of the United States of America or may, in the discretion of the Board of Directors, be invested in obligations of, or fully guaranteed as to principal by, the United States of America. The reserve for replacements of the common areas and community and recreational facilities may be expended only for the purpose of affecting the replacement of the common areas and community facilities, major repairs to any sidewalks, parking areas, streets, or roadways developed as a part of The Property, equipment replacement, and for start-up expenses and operating contingencies of a nonrecurring nature relating to the common areas and community facilities. The Association may establish such other reserves for such other purposes as the Board of Directors may from time to time consider to be necessary or appropriate. The proportional interest of any Member in any such reserves shall be considered an appurtenance of his lot and shall not be separately withdrawn, assigned or transferred or otherwise separated from the lot to which it appertains and shall be deemed to be transferred or otherwise separated from the lot to which it appertains and shall be deemed to be transferred with such lot.

Section 4. Annual Maintenance Assessments. The initial maximum annual maintenance assessment for each of the lots to which Class B Membership is appurtenant shall be equal to twenty-five (25) percent of the actual annual maintenance assessment which would be assessed against the lot were it owned by a Class A Member. In consideration of the Declarant's exemption from a full assessment, Declarant hereby covenants and agrees to maintain (exclusive of real estate taxes, insurance premiums, utility bills, trash collection and snow removal) the Common Area including all Budget Deficits, if any, within this section or any other section subsequently annexed hereto, without cost to the Association, until such time as there are no longer any Class B Memberships applicable to the Section; provided, however, that Declarant shall not be liable for any amount in excess of the amount which Declarant would have been liable if assessed at 100% of the maximum annual maintenance assessment, including any special assessments, which could be assessed against the lot were it owned by a Class A member. Said maintenance shall apply upon subsequent annexation pursuant to Section 2, Article II, with respect to the Common Area contained in the property so annexed. This maintenance shall end when the Declarant has conveyed seventy-five percent (75%) of the Lots contained in such annexed property to Owners. Upon the occupancy of any house located on a lot subjected to Class B Membership, such lot shall be subjected to full assessment.

Section 5. Increase in Maximum Annual Maintenance Assessment.

- (a) from and after January 1, 1985, the maximum annual maintenance

assessment for all Class A Memberships hereinabove provided for may be increased by the Board of Directors of the Association, without a vote of the Class A Membership, by an amount equal to ten percent (10%) of the maximum annual assessment for the preceding year, plus the amount by which any ad valorem real estate taxes and casualty and other insurance premiums payable by the Association have increased over amounts payable for the same or similar items for the previous year.

(b) from and after January 1, 1985, the maximum annual maintenance assessments for all Class A Memberships hereinabove provided for may be increased above that established by the preceding paragraph by a vote of the Members, as hereinafter provided, for the next succeeding year and, thereafter, at the end of such year, for each succeeding year. Any change made pursuant to this paragraph shall have the assent of two-thirds (2/3) of each class of the Members of the Association. A meeting of the Members shall be duly called for this purpose.

Section 6. Non-Payment of Assessments . Memorandum of Lien for Assessments

Any assessment levied pursuant to this Declaration, and any installment thereof, which is not paid on the date when due shall be delinquent and shall, together with interest thereon and the cost of collection thereof, as hereinafter provided, become a continuing lien upon the Lot or Lots belonging to the Member against whom such assessment is levied. Upon notice on such delinquency, the Association may declare the entire balance of such Annual or Special Maintenance Assessment due and payable in full and may file a Memorandum of Lien or similar instrument among the land records or other appropriate office, recording the Association's continuing contractual lien against the owner's Lot for assessments.

The lien evidenced hereby shall bind the lot or lots herein described in the hands of the then owner thereof, his heirs, devisees, personal representatives and The personal obligation of the Member to pay such assessment shall, in addition, remain his personal obligation for the statutory period and a suit to recover a money judgment for nonpayment of any assessment levied pursuant to this Declaration, or any installment thereof, may be maintained without establishing, perfecting, foreclosing or waiving the lien herein provided for to secure the same.

No suit or other proceeding may be brought to enforce or foreclose the lien evidenced herein after twenty-four (24) months from the date the assessment became due and owing. No suit or other proceeding may be brought to enforce or foreclose the lien except after ten (10) days' written notice to the Member, given by Registered or Certified Mail Return Receipt Requested, postage prepaid, to the address of the Member shown on the roster of Members maintained by the Association

Any assessment levied pursuant to this Declaration, or any installment thereof, which is not paid within ten (10) days after it is due, may, bear interest at the rate of ten percent (10%) per annum, and the Association may bring an action at law against the Member personally obligated to pay the same, or foreclose on the lien against the lot or lots then belonging to said Member in the manner now or hereafter provided by law or, if no separate provision is made by law, then in the manner now or hereafter provided by law for the foreclosure of mortgages, deeds of trust or other liens on real property in the Commonwealth of Virginia containing

a power of sale or consent to a decree, and subject to the same requirements, both substantive and procedural, or as may otherwise from time to time be provided by law, in either of which events interest, costs and reasonable attorneys' fees of not less than twenty percent (20%) of the sum claimed shall be added to the amount of each assessment. Suit for any deficiency may be maintained in the same proceeding.

The Association shall notify the holder of the first mortgage on any lot for which any assessment levied pursuant to this Declaration becomes delinquent for a period in excess of thirty (30) days and in any other case where the owner of such lot is in default with respect to the performance of any other obligation hereunder for a period in excess of thirty (30) days, but any failure to give such notice shall not affect the validity of the lien for any assessment levied pursuant to this Declaration, nor shall any such failure affect any of the priorities established in this Article.

Section 7. Assessment Certificates. The Association shall, upon written demand at any time, by registered or certified mail, furnish to any Member liable for any assessment levied pursuant to this Declaration (or any other party legitimately interested in the same) a certificate in writing and in form sufficient for recordation signed by an officer of the Association, setting forth the status of said assessment, i.e., whether the same is paid or unpaid as to a particular lot. Such certificate shall be conclusive evidence of the payment of any assessment therein stated to have been paid. Failure of the Association to furnish or make available such a certificate within ten (10) business days following the receipt of such a written request shall extinguish the right of the Association to claim the lien for such assessment provided by law and provided for in this Declaration, and a charge not to exceed Fifteen Dollars (\$15.00) may be levied in advance by the Association for each certificate so delivered.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessment provided for herein shall be subordinate to the lien of any first trust or mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments thereof which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein; (a) all properties dedicated to and accepted by a local public authority; (b) the Common Area; (c) all properties owned by charitable or other organizations exempt from taxation by the laws of the State of Virginia. employee of the Association.

Section 7. Residential Use - Leasing. All dwellings shall be used for private residential purposes exclusively. Nothing contained in this Article, or elsewhere in this Declaration, shall be construed to prohibit the Declarant from the use of any lot or dwelling for promotional or display purposes, or as “model homes,” a sales office, construction office or the like.

Section 8. Fences. Any fence constructed upon the Property shall be either horizontal, rustic, unfinished split rail or vertical split sapling, or vertical board (stockade) and shall not extend beyond the front building line of the dwelling on the lot upon which any such fence is erected or the front building line of the dwellings on all immediately adjacent lots. No fence shall be more than six (6) feet in height. Chain link (except around recreational areas) and other wire fencing is specifically prohibited. The erection of all fences shall be subject to the provisions of this Article.

Section 9. Parking. Parking upon the common areas may be regulated by the Board of Directors and parking spaces may initially be assigned by the Declarant and thereafter by the Board of Directors of the Association or by such Committee as the Board of Directors may designate for that purpose. In the event parking spaces upon the common areas are assigned as aforesaid, then no Member shall make use of any parking space other than the space or spaces assigned to his lot by the Board of Directors without the express written consent of both the owner of the lot to which such other space has been assigned and the Board of Directors of the Association, nor shall any Member invite, encourage or permit the use by his guests of parking spaces assigned to lots other than his own. No vehicle belonging to any Member, or to any guest or employee of any Member, shall be parked in a manner which unreasonably interferes with or impedes ready vehicular access to any other parking space upon the common areas. No recreation or similar vehicles, whether owned by the owner or any other person, shall be permitted to remain on or be parked on the Common Area, except as designated by the Declarant or Successor Declarant. Nothing shall be stored upon any of the parking areas nor shall the same be permitted to accumulate trash or debris. In the event the Board of Directors elects to assign parking spaces upon the common areas as herein provided for, then the Board of Directors may make reasonable effort to assign parking spaces in a manner calculated to make reasonable adjustments to accommodate the elderly and the handicapped.

Section 10. House Rules, etc. There shall be no violation of any rules for the use of the common areas and community facilities or “house rules” or other community rules and regulations not inconsistent with the provisions of this Declaration which may from time to time be adopted by the Board of Directors of the Association and promulgated among the Membership by then in writing, and the Board of Directors is hereby and elsewhere in this Declaration authorized to adopt such rules.

Section 11. Enforcement - Right to Remove or Correct Violations. In the event any violation or attempted violation of any of the covenants or restrictions contained in this Article shall occur or be maintained upon any lot, or in the event

of any other conduct in violation of any of the provisions or requirements of this Article, then the same shall be considered to have been undertaken in violation of this Article and without the approval of the Architectural Control Committee required herein, and, upon written notice from the Architectural Control Committee, such violation shall be promptly removed or abated. In the event the same is not removed, or the violation is not otherwise terminated or abated, within fifteen (15) days (or such shorter period as may be required in any such notice) after notice of such violation is delivered to the owner of the lot upon which such violation exists, or to the Member responsible for such violation if the same shall be committed or attempted on premises other than the lot owned by such Member, then the Association shall have the right, through its agents and employees (but only after a resolution of the Architectural Control Committee) to enter upon such lot and to take such steps as may be necessary to remove or otherwise terminate or abate such violation and the cost thereof may be assessed against the lot upon which such violation occurred and when so assessed, a statement for the amount thereof shall become due and payable and a continuing lien upon such lot, and a binding personal obligation of the owner of such lot, in all respects (and subject to the same limitations) as provided in Article V of this Declaration. The Association shall have the further right, through its agents, employees or committees, to enter upon and inspect any lot at any reasonable time for the purpose of ascertaining whether any violation of the provisions or requirements of this Declaration, exist on such lot; and neither the Association nor any such agent or employee shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

ARTICLE VII

Section 1. Party Walls. Each wall which is built as part of the original construction of the dwellings upon The Property and placed on the dividing line between lots or partly on one lot and partly on another shall constitute a party wall, and to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and of liability for property damage due to negligent or willful acts or omissions shall apply thereto.

Section 2. Repairs and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in equal shares. Nothing shall be done by any Owner which impairs the structural integrity of any party wall or which diminishes the fire protection afforded by any party wall. No Owner shall use any party wall for any purpose which creates a hazard or nuisance for any other Owner who makes use of the party wall.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use; without prejudice, however, of the right of any such Owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this

Article, any Owner who by his negligent or willful act causes a party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Encroachments. ARTICLE VIII

Section 1. Management Agent. The Board of Directors may employ for the Association a management agent or manager (the Management Agents) at a rate of compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall from time to time authorize ninety (90) days' written notice thereof to the other party. The term of any such management agreement shall not exceed one (1) year; provided, however, that the term of any such management agreement may be renewable by mutual agreement of the parties for successive one-year periods.

Section 2. Limitation of Liability. The Association shall not be liable to any Member for loss or damage, by theft or otherwise, of articles which may be stored upon the common areas or community facilities. No diminution or abatement of assessments, as herein elsewhere provided for, shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the common areas or community facilities, or from any action taken by the Association to comply with any of the provisions of this Declaration or with any law or ordinance or with the order or directive of any municipal or other governmental authority.

ARTICLE IX

Section 1. Reservation of Easement Rights by the Declarant. The Declarant hereby reserves a non-exclusive easement and right of way in, through, over and across the common areas and community facilities for the purpose of the storage of building supplies and materials, the installation, construction, maintenance, reconstruction and repair of sanitary sewer lines, water lines, cables, storm drains and appurtenances to any of the same, and for all other purposes reasonably related to the completion of construction and the provisions of utility services, whether public or private, to the community and to other property adjacent to, or in the vicinity of, the community. The Declarant further reserves a nonexclusive ornamental entrance easement and right-of-way in, through, over and across the common areas and community facilities for the purpose of constructing and erecting signs on the property. Upon completion of any signs on the property, the Association shall repair and maintain same at its sole cost and expense. Any and all instruments of conveyancing made by the Declarant to the Association with respect

to any of the common areas and community facilities shall be conclusively deemed to incorporate these reservations, whether or not specifically set forth in such instruments. At the request in writing of the Declarant, the Association shall from time to time execute, acknowledge and deliver to the Declarant such further assurances of these reservations as may be necessary.

Section 2. Easements for Utilities and Related Purposes. The Association is authorized and empowered to grant (and shall from time to time grant) such other licenses, easements and rights of way over the common areas and community facilities for sewer lines, water lines, electrical cables, telephone cables, gas lines, storm drains, cables, underground conduits and such other purposes related to the provisions of utility services to the community as may be considered necessary and appropriate by the Board of Directors for the orderly maintenance, preservation and enjoyment of the common areas and community facilities and for the preservation of the health, safety, convenience and welfare of the owners of the lots or the Declarant.

ARTICLE X

Section 1. Amendment. Subject to the other limitations set forth in this Declaration, prior to the lapse of all of the Class B Memberships in the Association, as in Article III provided, this Declaration may be amended only by an instrument executed and acknowledged by two-thirds (2/3) of each class of the then Members of the Association, if any, and by the Declarant which instrument shall be recorded among the Land Records for the jurisdiction in which this Declaration is recorded. Subject to the other limitations set forth in this Declaration, following the lapse of all of the Class B Memberships in the Association, as in Article III provided, this Declaration may be amended by an instrument executed and acknowledged by a majority of each class of the then Members of the Association, which instrument shall be recorded among the Land Records for the jurisdiction in which this Declaration is recorded. Unless a later date is specified in any such instrument, any amendment to this Declaration shall become effective on the date of recording, provided, however, that no amendment shall be effective unless it is executed by at least one Class A Member, should there be any Class A Members.

Section 2. Duration. Unless amended in accordance with the provisions of Section 1 5f this Article and the other requirements of this Declaration, and except where permanent easements or other permanent rights or interests are herein created, the covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association, or the owner of any lot subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty (20) years from the date of recordation of this Declaration, after which the said covenants shall be automatically extended for successive period of twenty (20) years each.

Section 3. Construction and Enforcement. The provisions hereof shall be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of the community. Enforcement of these covenants and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenants or restriction, either to

restrain or enjoin violation or to recover damages or both, and against any lot to enforce the lien created hereby; and the failure or forbearance by the Association or the owner of any lot to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

The provisions hereof may be enforced, without limitation, by the Declarant, by the Association, by any owner or any mortgagee of any lot which becomes subject to the provisions hereof and by any other person, firm, corporation or other legal entity who has any right to the use of the common areas and community facilities owned by the Association.

There shall be and there is hereby created and declared to be a conclusive presumption that any violation or breach or attempted violation or breach of any of the within covenants or restrictions cannot be adequately remedied by action at law or exclusively by recovery of damages.

Section 4. Successors of Declarant. Any and all rights, reservations, easements, interests, exemptions, privileges and powers of the Declarant hereunder, or any part of them, may be assigned and transferred (exclusively or non-exclusively) by the Declarant, with or without notice to the Association

Section 5. Incorporation by Reference on Resale. In the event any owner sells or otherwise transfers any lot, any deed purporting to effect such transfer shall contain a provision incorporating by reference the covenants, restrictions, servitudes, easements, charges and liens set forth in this Declaration.

Section 6. Notices. Any notice required to be sent to any Member or owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, by ordinary mail, postpaid, to the last known address of the person who appears as Member or owner on the records of the Association at the time of such mailing.

Section 7. No Dedication to Public Use. Nothing herein contained shall be construed as a dedication to public use or as an acceptance for maintenance of any common areas or community facility by any public or municipal agency, authority, or utility and no public or municipal agency, authority or utility shall have any responsibility or liability for the maintenance or operation of any of the common areas or community facilities.

Section 8. Severability. Invalidation of any one of these covenants or restrictions by judgment, decree or order shall in no way affect any other provisions hereof, each of which shall remain in full force and effect.

Section 9. Consents. Any other provision of this Declaration to the contrary notwithstanding, neither the Members, the Board of Directors nor the Association shall, by act or omission, take any of the following actions without the prior written consent and approval of the institutional holders of all first mortgages of record on the lots:

Any failure to give any such notice shall not affect the validity or priority of any first mortgage on any lot and the protection extended in this Declaration to the holder of any such mortgage shall not be altered, modified or diminished by reason of such failure.

No suit or other proceeding may be brought to foreclose the lien for any assessment levied pursuant to this Declaration except after (10) days' written notice to the holder of the first mortgage on the lot which is the subject matter of such suit or proceeding.

Any institutional first mortgagee of any lot upon The Property may pay any taxes, utility charges or other charge levied against the common areas and community facilities which are in default and which may or have become a charge or lien against any of the common areas and community facilities and any such institutional first mortgagee may pay any overdue premiums on any hazard insurance policy or secure new hazard insurance coverage on the lapse of any policy, with respect to the common areas and community facilities. Any first mortgagee who advances any such payment shall be due immediate reimbursement of the amount so advanced from the Association.

Section 12. Casualty Losses. In the event of substantial damage or destruction to any of the common areas or community facilities, the Board of Directors of the Association shall give prompt written notice of such damage or destruction to the holders of all first mortgages of record on the lots. No provision of this Declaration or the By-Laws of the Association shall entitle any Member to any priority over the holder of any first mortgage of record on his lot with respect to the distribution to such Member of any insurance proceeds paid or payable on account of any damage or destruction of any of the common areas or community facilities.

Section 13. Condemnation or Eminent Domain. In the event any part of the common areas and community facilities is made the subject matter of any condemnation or eminent domain proceeding, or is otherwise sought to be acquired by any condemning authority, then the Board of Directors of the Association shall give prompt written notice of any such proceeding or proposed acquisition to the holders of all first mortgages of record on the lots.
